

Ben: Your report is excellent, Miku.

Miku: Thanks.

I collected many pamphlets about the temples and shrines.

Ben: Are they written in English?

Miku: Yes, they are.

Ben: Actually, I'm very interested in the five-story pagoda.

How tall is it?

Miku: It's 31.5 meters tall.

It's as tall as a ten-story apartment building.

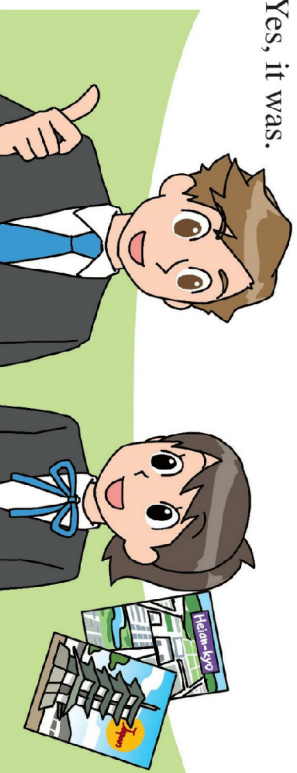

Ben: Wow! Is it really made of wood?

Miku: Yes, it is.

Ben: That's amazing.

The pagoda was built by skillful carpenters, wasn't it?

Miku: Yes, it was.
